

# Sanitary partition wall type SVF30

Cubicle system made of 30 mm chipboard

**schäfer**<sup>®</sup>  
Trennwandsysteme

Stylish and elegant partitioning.

BEFORE WE  
EXPECT TRUST FROM  
OUR CUSTOMERS,  
WE PROVIDE EVIDENCE  
*that's us!*

## ENVIRONMENT & SUSTAINABILITY *that's us!*

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC guidelines.

### PEFC - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

### FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

On request  
the products are  
available with  
FSC™ certification

## INNOVATIVE & DESIGN-ORIENTED *that's us!*

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.

## Flush fitted, minimalistic and extremely proven.

The Schäfer WC partition wall type SVF30 is an excellent choice if pure function and an attractive design is required. The flush-fitted cubicles, made of melamine resin-coated solid chipboard and coloured ABS strips, are characterised by smooth fronts. Quick cleaning, effective edge protection and an attractive design are convincing arguments for this type of partition.

#### Interesting facts about SVF30

##### WC partition walls made of 30 mm thick chipboard

- ABS strips in the same colour as the panels
- Flush fitted front on the outside of the cubicle
- Suitable for dry rooms
- Wall connections optionally available with shadow gap
- Easy to clean and maintenance construction
- Large variety of decors and colours
- System will be produced acc. to the building site dimension

##### Privacy screens

- Wall-mounted privacy screens
- Made of 30 mm thick chipboard
- ABS strips and panels in the same colour
- Installed with durable aluminium holders
- Wall-mounted structures without bottom support feet are particularly hygienic, since floor cleaning can then be faster and more efficient
- Wide range of colors available
- Motif prints are optionally available
- Privacy screens will be produced acc. to the building site dimension

## Features type SVF30

### Supports:

- Stainless steel supports, height-adjustable

- Aluminium supports, height-adjustable, price neutral
